

Community Group Sermon Discussion

Read Ephesians 6:5-9 and recap the sermon.

1. What stood out to you from the Scripture or sermon? What convicted you? What comforted you?
2. In what ways do you find yourself adding “so long as they...” when it comes to respecting your boss/those in authority over you? What would it look like to respect them as you should respect Jesus?
3. Reread Ephesians 6:5-9. Regardless of whether you are a boss or an employee, if you follow Jesus, there should be definitive moments where your work should look different than someone who doesn't. In light of that, what is your primary motivation for work? How does your work reflect on the kingdom of God? What are ways you need to repent of not working for the Lord?
4. What is one step you can take this week to view your job and coworkers with an eternal perspective?
5. Pray that our church family would fight the temptation to work for man, rather than Jesus. Pray that we would step into our workplaces with an eternal perspective and seek to reflect God's kingdom first and foremost.
