

Community Group Sermon Discussion

Read Ephesians 6:1-4 and recap the sermon.

1. What stood out to you from the Scripture or sermon? What convicted you? What comforted you?
2. Adult children are no longer called to obey their parents, but they are called to honor them. What would honoring your parents look like? What difficulties do you think you'll experience in honoring your parents?
3. How do you need to grow in 'bringing your children up in the discipline and instruction of the Lord'? What step would be the most helpful:
 - a. Normalizing family spiritual practices.
 - b. Clearly communicate expectations.
 - c. Consistently give corrective consequences.
 - d. Model following Jesus.
4. How do you need to step in to support parents within our church family to bring up their children?
5. Pray that the parents in our church would confidently step into their roles as godly mothers and fathers to raise up their children to love Jesus. Pray that our church would rally around our families and that ultimately God would save the children who are raised in our church family.
