

Community Group Sermon Discussion

Read Ephesians 1:15-23 and recap the sermon.

1. What stood out to you from the sermon or passage? What convicted you? What comforted you?
2. As Christians, our salvation has a past, present, and future reality; this is the basis of our hope. Hope means letting your certain future shape your uncertain present. If you really believed the future with Christ was certain, how would it impact your present?
3. We are God's treasured people. We are united to Him, despite our unfaithfulness, because of the faithfulness of Christ on our behalf. Where in your life do you struggle to believe that, in Christ, you are God's treasured possession?
4. God has immeasurable greatness and power toward us who believe. He is in charge. What would shift in your view of yourself if you believed this? What would shift in your view of the world if you believed this?
5. Pray that our church would know and experience, in a deep way, the hope we have in Christ, the treasure we are to God, and the power God has to save us.
