

## Community Group Sermon Discussion

Read Genesis 3:17-19, 1 Corinthians 7:17 and recap the sermon.

1. What stood out to you from the Scripture or sermon? What convicted you? What comforted you?
2. God has called you to be where you are right now. Do you view your work as a calling? What would change in the way you approached your work if you viewed your work as your calling?
3. Take a look at the following diagrams. When approaching how you go about your work, which of the triangles have you chosen? How does this need to shift and what will that look like in your day to day life?

4. Read Colossians 3:22-24. As you endure the thorns and thistles of cursed work, you are called to 1) Work Heartily, 2) See your work as discipleship, and 3) Remember Jesus' work. Which of these do you need to focus on the most? How can you respond this week?
5. Pray that as a church we would seek to embrace our work as a calling. Pray that we would see that wherever we find ourselves is the will of our sovereign God and that we would respond by working in light of that truth.
