

## Community Group Sermon Discussion

Read James 1:1-17 and recap the sermon.

1. What stood out to you from the Scripture or sermon? What stood out to you? What comforted you? What convicted you?
2. Exercise for this week: One at a time, let folks in the group walk through the following, with the CG asking questions and helping discern from the Lord, then pray for that person (If people in your CG have similar jobs, you can also group and do them together):
  - a. What are the current trials and frustrations you experience in your work?
  - b. What are the ways you are sinfully tempted to respond to these frustrations?
  - c. Through these trials, what do you think God is trying to kill in you?
  - d. Through these trials, what do you think God is trying to grow in you?
3. Pray for our church - that we would remain steadfast and count it all joy when we face trials and frustrations within our work. Pray that God would use our trials to make us steadfast and mature in Christ Jesus.
